Volunteers will help you with your FAFSA and make sure that applying for financial aid does not become an obstacle that could keep you from going to college. By attending College Goal Sunday, you receive free assistance with your financial aid application, and can walk away from the event knowing you tackled one of the scariest steps in getting ready to go to college.

Posters about College Goal Sunday will be hung here in the high school, and you can get a flyer about College Goal Sunday by contacting your guidance counselors' office. You can also log on to [www.collegegoalsundayct.org](http://www.collegegoalsundayct.org) to learn more about College Goal Sunday, find out what you need to bring, and register to attend one of the twelve (12) College Goal Sunday locations. Remember, the volunteers can help you fill out your financial aid application.
